

DIOCESAN SYNOD.

I am grateful for the positive discernment in our Diocesan Synod, which produced valuable recommendations for the future of our Diocese. Mgr John Dale has accepted the role of Episcopal Vicar for Synodality, and the implementation work is beginning.

Parish Priests have been asked to nominate individuals with expertise in the four recommendations categories. "Community Outreach," "Leadership and Collaboration," "Spirituality and Formation," and "Young People and Schools," so that we can build a vision and direction, and share best practice, for our future. And for this continuing work, let us pray," Stay with us, Lord, on our journey.
